

Minister's Excellence in Education Awards

**Do you know an educator who is making
a significant difference for learners?**

The Minister's Excellence in Education Awards recognize educators demonstrating outstanding skills in:

- Innovative educational practices and leadership
- Responding to the diverse needs of all learners
- Lifelong learning
- Fostering a positive learning and working environment

This is a great opportunity to acknowledge an individual who demonstrates exceptional commitment and dedication to learners!

Individuals or groups, including parents and students can submit nominations to your school district office to the attention of the District Education Council Chair no later than **February 2, 2025**.
